

2021 Off-Season Team Health Attestation

FIRST Mid-Atlantic (FMA) takes the safety of our teams, volunteers and staff as a top priority and are working hard to ensure the safest possible in-person FRC events for all attendees. To aid in this process, FMA is requiring coach/mentors of teams to complete a health attestation of their team prior to arrival at the 2021 FMA Off-Season Events.

Any of the symptoms below could indicate a COVID-19 infection and may put attendees at the event at risk for spreading illness. Please note that this list does not include all possible symptoms and those with COVID-19 may experience any, all, or none of these symptoms. These questions are specific to symptoms related to COVID-19. Please screen your team for these symptoms before you leave for the event and turn in your completed form at team check-in when you arrive.

Coach/Mentor Name:	
Team Number:	
Event:	
Date:	

Initial	
	I attest that no member of my team in attendance has experienced TWO (2) or more of the following symptoms within the last 24 hours: chills, shivers, muscle aches, headache, sore throat, fatigue, congestion or runny nose, or diarrhea. If the symptoms are present due to known illness or medical history NOT related to COVID-19, you may attest.
	I attest that no member of my team in attendance has experienced any ONE (1) of the following symptoms within the last 24 hours: fever, nausea or vomiting, cough, shortness of breath, new loss of smell or taste. If the symptoms are present due to known illness or medical history NOT related to COVID-19, you may attest.
	I attest that within the past 14 days, no member of my team in attendance has been in close physical contact (6 Feet or CLOSER for AT LEAST 10 minutes) with a person who is known to have laboratory-confirmed COVID-19.

This form will be retained by *FIRST* Mid-Atlantic for three years from the date of the event.
