NJ-North Scrimmage Registration Opens on Oct. 7, 2024

North NJ FLL Challenge Scrimmage registration will open Monday Oct. 7 at 7:30 PM. **This is 1 week prior to qualifying registration.** Teams will be able to select 2 options for which event to attend. There is not enough space in the scrimmages for all teams to attend. We ask that teams whose coaches are in the first or second year apply initially. If the event does not fill up, then we will open the spaces up to anyone.

The cost for a scrimmage will be \$75/team and will be payable to the event organizers. The link to the NJ-North scrimmage registration will be located on each of the NJ-North Scrimmages page on the NJ-North Calendar. The link will appear before the registration opens on Oct. 7 at 7:30 PM. Please be aware that the scrimmage and qualifying events are 2 different registration forms. *Be aware that teams will probably not be notified of their event placement for about a week.*

VERY IMPORTANT !!!! - Check Your Team Information in the FIRST Database

For all the team Coaches, Assistant Coaches and Administrators, please verify your information in your team entries in the FIRST Dashboard (Mentor Registration) System. You need to make sure your emails and your phone numbers are correct. If any of the positions have changed, please update the database to reflect the changes. **We cannot change any of the data!**

You can access the Team database by going to <https://firstinspires.org> and then logging in. If you need help making changes, please contact FIRST at **(603) 666-3906** or **(800) 871-8326** and ask for FIRST Lego League Team support.
