Make sure you select four ***DIFFERENT*** events!!! Make one or 2 of them “safe” choices in case you do not get the ones you really want. I already see some folks taking the same event 4 times!!!! Hello is anyone listening!!!! Incredibly bad idea!!!!

Explore Teams can go to Two, or possibly Three Festivals

We have so many events, register for several events. Register for your first Explore Festival now, in your region, and in November you will be able to register for a second event across regions.

VERY IMPORTANT !!!! - Check Your Team Information in the FIRST Database

For all the team Coaches, Assistant Coaches and Administrators, please verify your information in your team entries in the FIRST Dashboard (Mentor Registration) System. You need to make sure your emails and your phone numbers are correct. If any of the positions have changed, please update the database to reflect the changes. **We cannot change any of the data!**

You can access the Team database by going to <https://firstinspires.org> and then logging in. If you need help making changes, please contact FIRST at **(603) 666-3906** or **(800) 871-8326** and ask for FIRST Lego League Team support.

Many thanks, let's see if we can all make this a great season.
