

FRC Volunteer Expense Reimbursement Policy

FIRST Mid-Atlantic recognizes that, in certain circumstances, reimbursement is appropriate regarding volunteer expenses while a volunteer is volunteering at an official *FIRST* Mid-Atlantic District Competition.

In line with the procedures that are agreed upon by the Committee, volunteer expense reimbursement will be managed by the FRC Program Committee. The Sr. VC, as a member of the FRC Program Committee, will oversee the Volunteer Expense Reimbursement budget, as part of the larger FRC Program Operating budget.
